Marguerite's Place
Where Safety and Strength Begin

Celebrating 30 Years of Impact

WELCOME LETTER

Dear Friends,

We are excited to share our 2023 Annual Impact Report with you. Thanks to your support, Marguerite's Place experienced remarkable growth across all of our programs last year, taking significant and measurable steps toward ending family homelessness in our community. 75% of transitional housing families secured permanent long-term housing after moving on from Marguerite's Place; participation in both mental health services and community programs increased dramatically; and 73% of Child Care families were connected with additional community resources and support, including Early Intervention services.

As we begin 2024, we proudly commemorate 30 years of empowering families to thrive, *together*. For three decades, we have remained steadfast in our mission while also evolving to meet the increased and changing needs of our community. The remarkable legacy of Marguerite's Place stands as a testament to the unwavering support from countless individuals, corporations, and foundations who share our commitment to ending family homelessness. We promise to build on this legacy and invite you to join us as we expand our footprint, broaden our reach, and increase our impact in the Granite State.

With gratitude,

ONE FAMILY'S JOURNEY

For four years, Geomaly and her young daughter lived in a walk-in closet, their only available shelter. Trapped in a Catch-22, Geomaly struggled to find affordable childcare for Arahileen, who has autism, hindering her job prospects and perpetuating their cycle of instability.

Their lives changed when they moved to Marguerite's Place in February of 2023, finding safety, support and community. Arahileen thrived in childcare, and Geomaly pursued her career. Now, they've moved to their forever home, a testament to Geomaly's persistence and the kindness of our supporters.
